

Hello *Rooms of Hope* Supporter,

Thank you so much for your very generous donation to Rooms of Hope, Inc. We are a nonprofit organization that provides dream room makeovers to children with life-threatening medical illnesses. We do this because these children spend so much of their time in their bedroom due to their illnesses and depressed immune systems. We help each child in our program design their haven away from the hospital – a place to heal and be a “normal” kid during a time when they don’t feel very normal. As one child who received his dream room makeover said, “This room is a reflection of me and why I matter in this world!” It’s much more than freshly painted walls or a new comforter. Our main goal... ***to create spaces that matter while bringing hope and joy to seriously ill children battling to survive.***

We appreciate your donation! As a nonprofit organization, your donation is tax deductible. For that purpose, our federal identification number is 46-5736906. For every dollar raised, about \$.90 goes right back to the children we are serving, and every dollar matters! If you would like to learn more about what we do, or to volunteer with us, our website and Facebook information is below.

Again, thank you for your generosity, and we wish you and your family the very best!

With gratitude,

Shelley Ham

Executive Director
