

Creating Spaces That Matter...

We did it!!! Our First “Rooms of Hope” Dream Room Makeover Together...

And it was for the sweetest girl ever! Abril, age 14, announced to our group at the reveal that she felt so loved and considered us all family. She even invited us to her Quinceañera and told us that her makeover made her want to fight the cancer even harder! This quiet young lady, stood before two dozen people, and told us so eloquently that this makeover gave her strength because all of us worked so hard to give her a place to heal. It was a touching reveal that warmed all of our hearts...

And it is because of each of you that this was made possible!

Abril shares a room with her younger cousin and they are both so excited about their new room!!!

A beautiful room indeed for two beautiful and sweet young ladies!!!

Abril loves her desk and makeup area complete with lights, a place to put her wig and goodies!

This is her favorite part of the room! Well, that and all the pink and patterns!

Naomie was her Rooms of Hope Interior Designer...great job Naomie!!!

Great job to the entire team that worked in this room!!!

But Abril's other little cousin couldn't be left out either!

He shares a room with mom and dad, so we had to give him his own space!

Tara designed Gabriel's little nook...great job Tara!!!

And to the entire team who worked on this part of the makeover...you did awesome!

But, we didn't stop there!

Abril's living room was in desperate need of a freshening up
and so was her kitchen!

Great job everyone, really!!!

Special call out of gratitude to the ladies that made Abril's kitchen and living room beautiful...
and thank you all for the donations and shopping to make this possible!

And finally...to make Abril's space inside bigger,
We created an outside space that Abril's family could use all year round!

Her new front yard...now Abril and her cousins have a safe place to play!

And her new backyard...with wonderful places just to be!

A special call out to all of you who made this outside makeover possible!

Without the design inspiration from Ken and his parents, Nancy and George,
and Nathan's referal of Mike at Creative Yards and Pools,
this outside makeover would not have turned out as beautifully as it did!

**From all the donations to all the hard work,
this yard makeover was just what Abril needed for a place to be, relax and heal outside!**

And so, who are the people behind this wonderful makeover...

Well, our Rooms of Hope star, Abril and her family!

And all of you!

And...who made Abril's dream room makeovers possible?

First Street Alehouse for referring Abril to us, providing all the lunches and dinners for our volunteers both days, plus having their employees come out and join in on creating a dream space for Abril!

Thank you Ron, Brook, Mike and your wonderful team! We love you guys!!!

And Team Breezy who sponsored this dream bedroom for Abril!

**Thank you Breezy, Stan, Deb, Stephanie, and Carolyn...Terri too!
We love all of you too!!!**

Breezy is on the right and Julia in the middle! What do these three girls have in common?
Each of them are warriors battling cancer AND they are all recipients of dream room makeovers!
We love your smiles!!!
