

Thank You All For Your Incredible Support With Jillian's Dream Room Makeover!

A Note From Jillian's Mom On Behalf Of Jillian & Her Kind Family...

Dearest Donors and Volunteers,

How does one even truly thank someone for their selflessness, love, and dedication?

It is really hard to find the right words, and convey how much this has meant to me personally, let alone our family.

Our world has been filled with so so many ups and downs the last 16 and half years. Thank you for being one of the highest points in our journey. We are so blessed!

Jillian is thrilled with her room. In fact she said last night, " I kept forgetting this actually happened (with a smile), then I walk in and remember. It makes me feel like I am getting a fresh start".

For the first 12 hours Maya barely left the room. She loves it SO much.. most important she was so so happy to have all of her things in "my own" room. This has really melted my heart.

Ian shared that his room is MORE than he ever imagined it could be. And loves it all!

As for Jason and myself... we have noticed all the "little" things done and appreciate everyone and everything more than we can share.

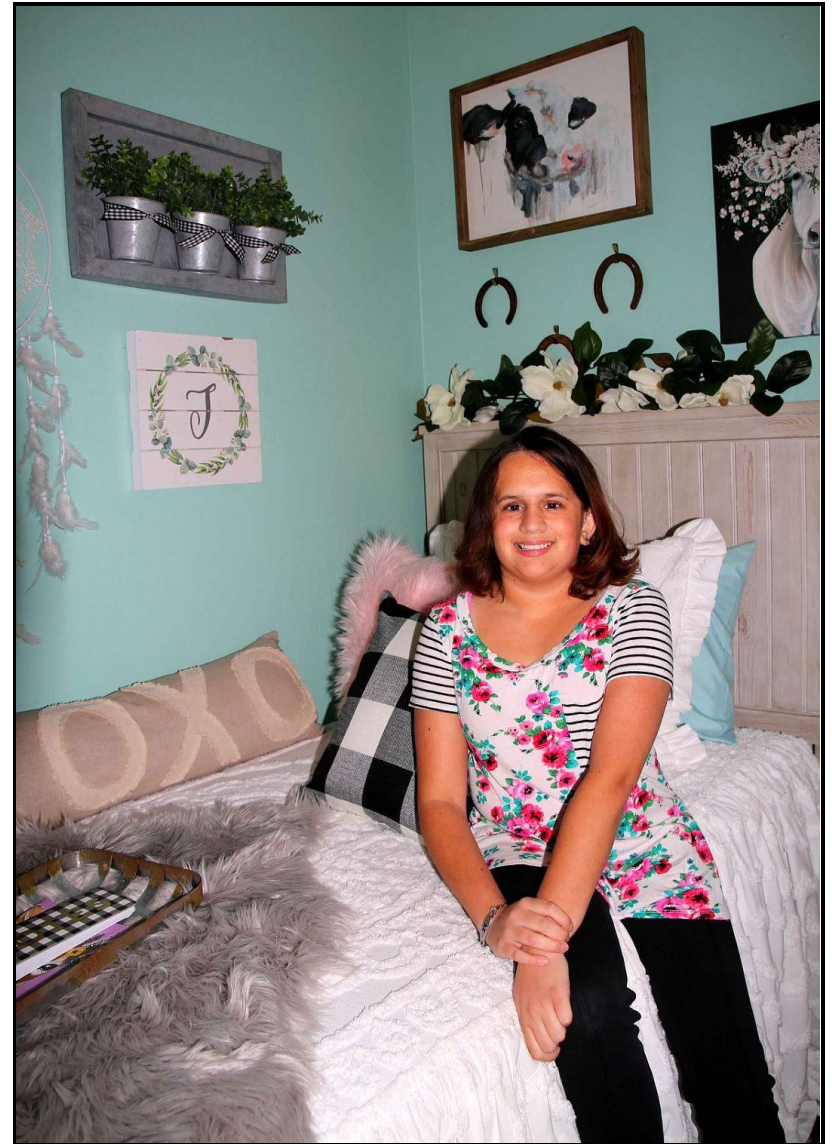

With much love and thanks from the bottom of our hearts,

Natasha Maghoney and family
