## Thank You All For Your Incredible Support With Myles' Dream Room Makeover!

### A Note From Myles' Mom...

*To Rooms of Hope...Oh my goodness!!!*

Myles is over joyed by his room. He stated it's the nicest room he has ever seen or been in. Also said that he's never moving out. I thought he would cry! He loves his room. His friend who lives next door saw us coming home at midnight and was there for the reveal-both had fun with the lights and just hanging out the room.

Anna was over the moon with her room. She has a grown up room and loves it! It has all her elements ❤️

I don't know what to say but thank you for all the little touches around and outside the house! My front yard has been too much to deal with and the flowerbed makes me feel like it's my home again, not just a constant work in progress.

🙏❤️🌸 Thank you

*With Love,  
Myles, Anna, Frank and Laura writing this on behalf of my family*

## **Don't quit**

When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit  
Rest if you must, but don't you quit.

Life is queer with its twists and its turns,  
As everyone of us sometimes learns,  
And many a failure turns about  
When they might have won, had they stuck it out.  
Don't give up though the pace seems slow,  
You may succeed with another blow.

Often the goal is nearer than,  
It seems to a faint and faltering man,  
Often the struggler has given up  
When he might have captured the victor's cup;  
And he learned too late when the night came down,  
How close he was to the golden crown.

Success is failure turned inside out  
The silver tint of the clouds of doubt  
And you never can tell how close you are,  
It may be near when it seems so far;  
So stick to the fight when you're hardest hit,  
It's when things seem worst that you must not quit!
