Creating Spaces That Matter...

Thank You All For Your Incredible Support With Lily's Dream Room Makeover!

A Note From Lily & Her Family...

Rooms of Hope,

I have no idea where to start! I can't thank you enough for the fabulous and cozy room you put together for me, I love it & I hate leaving it. You guys are incredible and so awesome for being so welcoming and loving when we came home for the reveal and from the very beginning of this project too. Thank you for all the time spent, thank you to the volunteers, but most of all thank you for your passion. You guys are truly inspiring!

Love, Lily

Rooms of Hope,

We stood stunned and speechless and it doesn't feel any different a day after as we are trying to find words to express our gratitude to you. Leah's [nicknamed Lily] and Hennah's rooms have been transformed into spaces they had envisioned in their dreams. The selection of furniture, the paint on the walls, the decorative wall shelves, various pieces of furniture, Leah's [Lily's] huge sofa-bed to fit in her large group of friends, and so many, many caring and artful touches here and there... fill their rooms and our house with love, hope, and beauty.

We met most of you for the first time when we came home after the rooms were done, but just within minutes we were overcome by the euphoric realization that you have added us to your family. We are thankful for your generosity, dedication, and hard-work. We are humbled and very grateful for becoming part of your family.

Love, Our Entire Family
